School Book Firm Loses Big Damage Case.

Prof. W. C. Turner, county superintendent, secured a big hit when the jury returned a verdict of \$10,000 against the Rand, McNally Co., publishers, of Chicago, for alleged breach of contract for failing to furnish in Barren county school books as good in binding, printing, etc., as the samples filed in the office of the State Superintendent of Public Instruction at Frankfort. A motion was made by the defendant for a new trial, which was overruled, and the case will go to the Court of Appeals.

More Business for Clay City.

The Swann-Day Lumber Company is moving all of their machinery from Ridgewood to this city and will connect it with their planing mill. The machinery comprises a quantity of stave machinery as well as saw mill material. The new industry will give employment to many more men when it starts up in the spring.

Sewing machine needles at W. T. Webb's. All makes and sizes.

Does It pay to Keep Hens?

Mr. R. W. Garrett one of Powell's leading and observing citizens, has kept correct account of the amount of eggs obtained from one hundred hens, and has found that in the past twelve months that these same hens have produced 700 dozen eggs, and realized for them from 10 to 30 cents per dozen. The pay in handling hens is obvious. Mrs. Garrett, wife of the Mr. Garrett, says the stock of fowls is not all that is necessary, but that it depends largely on the condition they are kept, and the attention the fowls receive.

Have You Lost Your Certificate?

Have you lost your certificate of registration? If so, you cannot vote in the coming local option election. We wager that many have lost this piece of property thinking at the November election they could have no further use for it and carelessly misplacing it.

Exciting But Little Interest.

The local option election which comes off the 14th of this month seems to be exciting but little at-

tention. Well we know good and well that local option doesn't stop the drinking by a great deal. We are very friendly toward the movement and think it should carry, for it will then not be so convenient, enticing, or pleasant for young boys to get served at the dram shops, and by this alone we can well afford to vote it down. Remember the day Saturday, Jan. 14th, and go and vote against it.

Campaigning in the South.

Senator Tillman says that the liveliest campaign he ever knew was that for the governorship of North Carolina when the late Senator Vance was pitted against Judge Settle.

The candidates stumped the state in joint debate. All the white democrats turned out to hear Vance, and all colored republicans were on hand to listen to Settle.

It appears that on one occasion Vance was advised that certain young women of the state desired to testify their devotion to the democratic party by kissing its candidate for the governorship. Not unwillingly, Vance descended from the platform and kissed a dozen or so of the young beauties; then, pausing in his occupation, he turned to his competitor and exclaimed:

"Settle, are you kissing my girls; now you kiss yours?"

In our Tenth year.

With this issue the TIMES enters its tenth year having scored nine years of existence. During these years we have had our adversities and our prosperous seasons, but, mostly adversity, still we have hung no to the old ship until now, when the path seems much brighter than ever before. This success is due to the patronage of the public which has never been so generous, but by close economy and strict attention to business we are in the field to stay, and we hope our people will appreciate our efforts to such an extent as to enable us to improve the paper as well as our living.

Elder S. F. Thompson will preach a series of New Year discourses at Powell's Valley Saturday and Sunday. Everybody invited.

AN ORDINANCE.

The City Council of the City of Clay City, Ky., do ordain as follows:

Sec. 1. That Section 2, Art. 2 of the ordinance regulating the shooting of fireworks in the city of Clay City, Ky., be so amended as to read: The penalty for such offense shall be not less than \$1.00 nor more than \$10.00 for each and every offense, and all ordinances conflicting herewith are hereby repealed.

Sec. 2. That it shall be unlawful for any merchant or individual to sell such fireworks in the city of Clay City without first paying a license of \$5.00 for such privilege.

Sec. 3. Any person or persons violating the provisions of Sec. 2 of this ordinance shall be fined \$10.00 for each and every offense.

Sec. 4. This ordinance shall be in full force and effect from and after its first publication, as required by law.

J. H. TERRY, J. E. BURGER, Mayor, Clerk.

It is a fact that many good items are lost to newspapers every day by the modesty of people who fail to tell the editor matters concerning themselves. The right thing to do is to stop a newspaper man on the street or any other place you happen to meet him, and tell him you were away on a visit; that you have relatives visiting you; that you were or had been doing good. If you have been doing anything mean, keep that to yourself, for others will tell that.

Will Move To Missouri.

Sam Wells will have a sale Saturday, the 7th of January, offering all of his personality. He will move with his family to Kansas City, Mo., where he will try the new country. Mr. Wells is a good citizen and Hardwick's creek will miss him. See posters for particulars of his sale.

Question of Availability.

William L. Alden enjoys telling stories of the troublous experience of a friend who was running a weekly paper, in the West. One day there entered the office of Mr. Alden's friend a man of the type common to every town—the individual who has suggestions to offer to the end that the periodical may be made a success.

"My friend," replied the editor, "I must thank you for those bits; they have served to good purpose. The fact is, I am holding them. Now and then I get to thinking that I am not providing the public with as good a paper as I ought to. At such times I look up your articles, which enables me to perceive how much worse the sheet might be. Then I become real cheerful again. Please don't take them from me," he added, appealingly.

A Missouri paper wound up a compliment to a young schoolma'am with a good word about "the reputation for teaching she bears." The next day the young schoolma'am met the editor and chased him down the street with an umbrella, screaming at every jump that she never taught a she bear in her life.

SPOUT SPRING.

Sunday is regular preaching day at the Baptist church.

W. J. Christopher was in Irvine Monday on business.

Benny McKinney made a trip to his Clark county farm the first of the week.

W. J. Christopher, Jr., returned Saturday from an extended visit to relatives at Ford, Clark county.

R. H. Curtis has moved this week to his farm on the river, and has also moved his store. Mr. Curtis is a good merchant and a citizen whom we regret to lose from our town.

Mr. Marion McKinney and Miss Nannie Christopher, both well-known young people of this place, were married at the residence of the officiating minister, Elder B. Frank Wright, Thursday evening. They left Saturday morning for Lexington where Mr. McKinney is employed in the L. & E. car shop. Our best wishes go with the happy young pair.

Will Erect a Ten-story Building.

The Louisville & Nashville railroad has decided to erect a ten-story steel building at Louisville for the general offices of the road and the engineers' department has been instructed to draw up plans so that work may begin in the spring and the new office be ready for occupancy for one year.

The structure will be 60 by 200 feet and will stand on the southwest corner where the front of the freight depot is now located. The front of the depot will be removed and the sky-scraper built out to the street. The most modern steel construction will be used and a rough estimate of the cost is between \$300,000 and \$400,000.

At the recent election Parker polled 400,000 fewer votes than Cleveland in 1888; 450,000 fewer than Cleveland in 1892; 1,599,000 fewer than Bryan, in 1896; 1,250,000 fewer than Bryan in 1900. The gold bugs ought to re-organize the Democratic party some more.

Teddy is planning a trip south for next summer and numerous papers in the Southland are notifying him through their columns that he is not wanted. This may be true with some of the citizens, but there are great numbers who will be glad to see him—those of his own class. If we were planning a trip to these appreciative hosts, however, we would rather make it in the winter time.

The Republicans are gloating very much over their majority this fall and not only of the administration, but of the large majority of both houses of Congress. In the present House the Republicans have 219 of the 386 members, while there are only 137 Democrats. This is not really so discouraging to the Democrats, for in the Fifty-second Congress the Democrats had all the members but 55, which was then a much larger majority for the Democrats than the Republicans now have.

The Republicans of Estill county will hold a primary election February 25th to nominate candidates for county offices. Unlike blessed old Powell, a Republican nomination in Estill amounts to something, consequently there is considerable scrambling for nominations of this party in the grand old free state. The entrance fees have been fixed as follows: County Judge, \$25; County Attorney, \$25; County Clerk, \$40; Sheriff, \$50; Assessor, \$25; Jailor, \$40; Superintendent of Schools, \$25.

In Montgomery county J. W. Clay purchased 50,000 pounds of tobacco for 12 cents straight. The crop was raised on 27 acres and will make Mr. Ratliff, the grower, an average of \$200 an acre net.

Nearly 1,000,000 barrels of oil were produced in the Kentucky-Tennessee field during the year 1904, nearly twice the output of the previous year. Extensive operations are under way and the scope of the development has widened.

Do You Want an Education?

SOME FACTS ABOUT THE CLAY CITY GRADED SCHOOL.

Clay City is located on the L. & E. railroad, between Lexington and Jackson, Ky. The Graded School is the pride of the city and is in a prosperous condition, having an enrollment of about one hundred and fifty pupils.

Strict discipline is enforced, but it is tempered with mildness and kindness. Our course of study will compare favorably with that of any graded school in the State. We strive to obtain thoroughness, however, rather than a smattering knowledge of many things; to be deep, rather than broad. We shall undertake no patent process by which it is supposed that untutored boys and girls may be put into a cramming machine and speedily turned out well educated men and women.

Education is the product of time and hard study. If you wish your children to be well educated, you should give plenty of time in which to train them. We will teach your little children and give them the benefit of careful training in the elementary branches, under an experienced teacher, thus laying the foundation of a good education; we will take pupils in the preparatory department and give them thorough instruction in the ordinary branches of an English education, and we will take more advanced students and train them in the higher studies of the regular college course, including Higher Mathematics, Sciences, French and English Literature, and will furnish them with superior facilities for instruction in Vocal and Instrumental Music.

No One But Yourself if You Don't Get Well When Sick.

All we can do is give advice.

Of course that's easy.

But our advice is really worth a little more to you than most people's, for we offer to give you the first bottle of our medicine free, if it fails to help you.

We could not afford to do this unless our medicine was good. Such an offer, on the wrong kind of medicine, would put a merchant prince in the poor house.

Dr. Miles' Nervine, however, as years of experience have proved, is a medicine that cures the sick.

Those whom it cannot benefit—less than one in ten thousand—we prefer to refund their money.

All we ask of you is to try Dr. Miles' Restorative Nervine for your complaint. If you suffer from sleeplessness, nervous exhaustion, dizziness, headache, muscular twitchings, melancholy, loss of memory, weak stomach, poor blood, bilious troubles, epilepsy, St. Vitus' Dance, etc., we will guarantee to benefit you or refund your money.

You are the doctor.

"My son Bert, when in his 17th year, became subject to attacks of epilepsy, so serious that we were compelled to take him out of school. After several physicians had failed to relieve him, we gave Dr. Miles' Nervine a trial. Ten months' treatment with Nervine and Liver Pills restored our boy to perfect health."—MR. JOHN S. AN ALL HOME-MADE PAPER

THURSDAY, JAN. 5, 1905.

LOCAL BREVITIES.

Today is Old Christmas day.

Pay your subscription to the bridge fund.

The blizzard has struck us again this week in rough style.

Several of our citizens attended County Court at Stanton Monday.

We have had several nice days the past week and plenty of rough weather too.

Newton Puckett and family, of Lexington, visited relatives on Hardwick's creek last week.

What's the matter boys? The holidays have past and not a single wedding in our city to report.

J. J. Curry, formerly of this city, has moved from Charlestown, W. Va., to Paris, Bourbon county.

Mrs. Curry and daughter, Mrs. J. G. Easter, are visiting relatives in Bourbon and Nicholas counties.

The new bridge has been thoroughly inspected by our citizens and is pronounced by every one to be all right.

Owensboro is to have another large wagon factory with an output of 25,000 wagons annually. The capital stock is \$250,000.

Mr. John W. Henry, our photographer, is down again with rheumatism. He is at the home of his daughter, Mrs. C. C. Eaton.

Mr. and Mrs. Green Spry, of Log Lick, and well known to many of our readers have moved to Gibson, Ill., where they will reside.

One years subscription to the Southern Agriculturalist will be given to every subscriber of the Times who pays for one year in advance.

Robt. Henry, of Vaughn's Mill, is nursing a very sore hand caused by a gun kicking quite severely while hunting one day last week.

The sad intelligence has just reached here from Louisville announcing the death of Mrs. Chas. W. Russell in that city from cancer of the stomach.

A very valuable gas well was found on White Oak creek, in Estill county, and it is now assured that the gas will be piped to Winchester for light and gas.

W. T. Stringer, of Terre Haute, Ind., was in the city last week. Mr. Stringer is well pleased with his new home, has sold his property here and expects to reside there in the future.

The Waldron building on sixth avenue is completed and will be occupied in a very short time. Dr. Bertram Smith, the Dentist, has already moved up stairs where he is now very comfortably situated.

Three thousand turkeys were bought and shipped from Robertson county last week. They were bought up at 10 cents per pound, and brought to the own-

ers a right snug little sum of money.

H. D. Curry, of Davidson, Ky. came up home Saturday to visit home folks. Mr. Curry seems very proud of the new bridge and says he only wishes he could have contributed more to the fund.

Coming to the Front.

Our County seat seems to be forging to the front. A new national bank, of \$30,000 capital will open for business in a short while, and a new paper will start there. Home people are the promoters of both enterprises.

Bought Another Farm.

R. W. Garrett has bought the James Wills farm near this city where Ed Moore now lives for \$700. The farm comprises thirty acres and has a good dwelling and outbuildings on it. Mr. Garrett will get possession and move to his new farm some time in the Spring.

Hanging at Winchester.

John Hathaway formerly a wellknown negro jockey, was hanged at Winchester, Ky., Tuesday morning for the murder of Etta Thomas, his paramour, just one year ago. This is the first legal hanging in Clark county for more than fifty years.

Store Burglarized.

The large general store of Maxwell & Hunter at Rosslyn was broken into Sunday night the safe was blown open, \$150.00 in cash secured, lot of stamp taken and several valuables such as watches and etc. stolen. There is no clue to the robbers, and it is probable that they have made good their escape. Blood hounds were sent for Monday morning.

Speedy Relief.

A salve that heals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits, they are dangerous. Sold by M. Rose.

Office Removed.

Dr. Bertram Smith, the Dentist has removed his office to the front rooms in Mr. Waldron's new building where he may be found at all hours, day or night.

He extends to the public an invitation to call and inspect the best equipped Dental office in Eastern Kentucky.

A happy New Year.

Bertram Smith, D. D. S.

Tonic to the System.

For liver troubles and constipation there is nothing better than DeWitt's Little Early Risers, the famous little Pills. They do not weaken the stomach. Their action upon the system is mild, pleasant and harmless. Bob Moore, of Lafayette, Ind. says, "No use talking, DeWitt's Little Early Risers do their work. All other pills I have used gripe and make me sick in the stomach and never cured me. DeWitt's Little Early Risers proved to be the long sought relief. They are simple perfect." Persons traveling find Little Early Risers the most reliable remedy to carry with them. Sold by M. Rose.

The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. Erskine, of Allenville, Mich., says, "I suffered Heartburn and Stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & Co. Toledo. The auctioneer party given at Judge Wills' Saturday night Dec. 31, was enjoyed by a number of friends. Plenty of music was furnished on organ and violin as there were six organists and three violinists present. Pop corn and apple eating at 9 o'clock. Sale opened at 10:15, Mr. John Ingle being auctioneer, and a fine one too. It being leap year the boys were sold to the girls. Closed with midnight uncheon each fellow with highest bidder marched to the supper

table which was decorated with ferns and white chrysanthemums, served with pickles, pies, cakes and ice tea. John Ingle and Eva Wills were servitors at the table. Then the dear old year of 1904 wrapped in her shroud with many sorrows and many joys gave way to the new year, when all wished each other a more brighter and happier plume. After singing the song "God be with you" the crowd dispersed, part leaving the hospitable home, while the rest soon fell asleep to meet their fellowman in dream-land.

The most notable social event of the week was a quiet gathering of neighbors and friends at Mr. G. B. Martin's on New Year's day which the writer attended and enjoyed very much. There was about thirty persons present.

There was preaching at the Saints Chapel on Jan. 1, at 11 a. m. by Dow Richardson, who handled his subject admirably. His subject was "The House of the Lord" the material of which the House is built and where the Lord dwelleth.

I was all run down from nervousness and overwork and had to resign my position and take a rest. I found that I was not gaining my strength and health as fast as I could wish, and as your Wine of Cardui was recommended as such a good medicine for the ills of our sex, I bought a bottle and began using it. I was satisfied with the results from the use of the first bottle, and took three more and then found I was restored to good health and strength and able to take up my work with renewed vigor. I consider it a fine tonic and excellent for worn-out, nervous condition, and am pleased to endorse it.
